*Come for the Island
Stay for the Feeling*

RESORT FACT SHEET

Sprawling, green and quietly powerful, Adaaran Select Meedhupparu is the kind of island that doesn't just impress, it grounds you. Beneath the shade of banyan trees or out on the reef edge, time feels unhurried. Whether you're here to explore or simply exhale, it's the feeling you'll carry home.

A vertical photograph of a two-story tropical villa. The villa features a steep, dark brown thatched roof with exposed wooden beams. A balcony with a dark wooden railing and glass panels is visible on the upper floor, showing orange and white cushions. The ground floor is open, revealing a modern interior with a red accent wall, a white sofa, and a dining area. To the right, a wooden A-frame swing set is partially visible. In the foreground, a swimming pool with a blue tiled edge is surrounded by lush green ferns. The background is filled with dense tropical foliage, including palm trees and other green plants, under a clear blue sky.
